

BUDGET IMPLEMENTATION & ADMINISTRATION

The Board places the responsibility for administering the operating budget, once adopted, with the District Administrator. The Board also delegates to the District Administrator the responsibility for maintaining a system of fiscal accounts to record and control the collection and expenditure of funds. In administering such a system, the District Administrator shall comply with:

- 1). Statutory requirements of the State of Wisconsin, and
- 2). Shall file financial reports with the Department of Public Instruction as required.
