Merton Community Schools  
CHILD DEVELOPMENT QUESTIONNAIRE  
2024-25 4K Students

We are using information provided by families through this questionnaire in place of screening all incoming 4K students. Individual or small group screenings will be held in April for children whose families have concerns about their child's development. Please note all of your questions and concerns at this time. Concerns often include children with a summer birthday, or those demonstrating a delay in a specific area. All information will remain confidential and be used for screening purposes only.

This questionnaire is part of the 4K registration packet families need to **return to the Merton Primary School office by March 1, 2024.** Thank you.

Sincerely,  
Merton Primary 4k Teachers
