Login Area:

[Click here](#), then enter your Login/Password information and click the Sign In button. To obtain your login information contact the school secretary. If you have forgotten your information click on the [Forgot your Login/Password?](#) link and it will be sent to your email address on file. If you have more than one child in the Merton Community School District schools, one password will give you access to all your children.

After logging into Skyward, the account information screen is displayed. Please enter in an email address. This will allow the teachers and the school to communicate with you through the Message Center. Change your password by clicking the Change My Password button. You can switch between multiple children by using the pull down link in the upper left corner. You can also add your family information to the online Family School Directory.

Click on the 📄 or underlined grade to see the assignments that make up that grade.

The Gradebook screen displays information about student academic progress. For the current grading period you will see a green icon that indicates the grades are still in progress. After a grading period is complete the next column will display the green icon, and the past grading period will display the final posted grade. You can toggle between the icon and the current grade by placing a checkmark next to Calculate Progress Report Grades in the upper right corner. You can also click on any of the teacher names to send a note to that teacher. To see further detail of the grade, click on the green icon or toggled letter grade for each class.

09/09/11		Signed Syllabus Returned	0	0					

Overall Grade for Class

This screen is for the fourth through eighth grades. This screens show the grades in progress. The overall grade is the blue band at the top of the screen. The other colored bands indicate the Subjects being covered within the class. Each of the Subjects may be weighted which will calculate the overall grade. The Skills are the standards that are assessed for each area. The beige bands are the assignments and/or assessments. The assignments are calculated to create the Subject grade. The Subject grades are then calculated with the weighted amounts to create an overall grade.
