2023-2024 MAA SPORTS PROGRAMS

What is MAA?

The Merton Athletic Association is a volunteer-based 501c3 non-profit organization whose purpose is to offer athletic activities for over 700 families that reside in Merton and the surrounding communities and schools. Our goal is to introduce and expand knowledge of sports and to develop appropriate-level skills and sportsmanship in a safe and fun environment.

Through athletics a child can develop focus, learn discipline, build determination, and understand the 'team' concept. A child with strong self-esteem is a child on track to success.

In the next few weeks, please be on the lookout for a AHS Facilities survey from School Perceptions. The goal of the survey is to gather input on how to best address Arrowhead High School's operational and facility needs. School Perceptions is an independent education research firm so all feedback is confidential. The more surveys received, the better the AHS School Board can determine what our community supports.

Please click on this link: [AHS Facilities Presentation with Pizza, Pop, & Tour!](#) and consider attending one of two upcoming events to learn more about Arrowhead's facilities needs.
