Dear Merton Parent(s),

Merton Community School District and Chartwells K12 are excited to introduce you and your student to our brand new partnership that includes a school café full of new flavors and food and wellness education that are sure to inspire a healthy and fun 2017-18 school year!

New Menus

Chartwells K12 regional chefs and dietitians have been hard at work testing and developing a fresh, new menu for the coming school year designed specifically for Merton students that includes a wide variety of healthy and delicious options. The new menu includes:

🍓 **Strawberry Parfait with Granola** - Layers of vanilla yogurt, sweet strawberries, and homemade granola create a delicious breakfast and lunch parfait.

🍝 **Spaghetti with Italian Meat Sauce** - Our Italian classic starts with seasoned lean ground beef seasoned in zesty Italian red sauce.

🍟 **Baked Potato Bar** - Oven roasted Russet potato made to order with a variety of toppings including diced smoked ham, fresh steamed vegetables and cheeses.

Food & Nutrition Education:

Throughout the year, students will have the opportunity to learn about their food and healthier food options through fun and engaging activities that we have planned in the school cafeteria. Through our Discovery Kitchen: Powered by Simply Good food and nutrition education program, brought to the café by Chartwells chefs and dietitians, students will learn about healthier meal options, especially ones with fruits, vegetables, whole grains and lean proteins.

We look forward to an exciting new school year with the opportunity to provide the best service to your student.
