

- ❖ Online Registration is **Wednesday, April 19 (after 5 pm) thru Sunday, May 7**
- ❖ Enrichment classes that do not meet minimum enrollment numbers will be canceled and parents will be notified through email and Skyward Family Access message center. To select an alternate class, online registration will reopen May 10-14.
- ❖ Students enrolling in skill builder classes **must have a teacher referral** that indicates the student has met the requirements necessary for the class. Both the referral and requirements are necessary to enroll.
 - Session 1 meets Monday thru Thursday for 3 weeks
 - Session 2 meets Monday thru Thursday for 3 weeks
 - Session 3 meets Monday thru Friday for 2 weeks
 - All sessions have classes at 8:30, 9:30, and 10:30
 - **All sessions are at Merton Primary School**

Merton/Swallow Summer School Program 2017

Important Information

Registration Information:

- **Online registration ONLY.**
- Swallow families need to fill out the "Swallow Students Enrollment Form" on the Summer School Website, so a Skyward Family Access account can be created to use for registration.
- Paper registration forms will NOT be accepted.
- Payment needs to be made after May 21 (after the final registration date) and before June 3rd (to allow our teachers to purchase supplies).
- No refunds will be made.
- Out of district fees are set at \$50 per session, plus any cost of the class. Merton and Swallow families will receive first preference.
- Online payment **preferred** or mail checks to Merton School District, PO Box 15, Merton, WI 53056. Attn: Summer School
- Be sure to include the student's name on the check.

Class Information:

- Classes are listed for the grade that the student is currently in for the 2016-17 school year.
- Skill builder classes will be held to ten or fewer students. Referral required for class.
- Enrichment classes that don't meet minimum enrollment numbers will be canceled and you will be notified. Online registration will reopen to select a different class.
- Our goal is to provide enrollment space for the classes you select.

General Information:

- Meet in the Primary School gym on the first day of each of the sessions.
- Doors to the school will open at 8:25 each day.
- No class changes after the first week of each session and no refunds
- Phone number during summer school is **262-538-2227**.
- **REMEMBER TO BRING YOUR SCHEDULE THE FIRST DAY OF EACH SESSION!**

Merton / Swallow Community School Districts
SUMMER SCHOOL 2017 CLASS OFFERINGS
 Select the student's current grade (2016-2017) class.

Class Description	Fee	S	Gr
Skill Builder Classes Are those classes that your child's teacher recommended for summer school (math or read/write). They are indicated in the tables above in the shaded boxes. Please select the class for your child based on the grade he/she just finished this school year. Students must have a teacher referral that indicates the student has met the requirements necessary for the class. Both the referral and requirements are necessary to enroll.	\$0	1, 2, 3	1-7
Amazing Animals: Enjoy learning about the great variety of creatures from around the world, each with its own special characteristics. We'll explore animal senses, analyze animal artifacts, get clues from Beanie Babies, and even "hatch" eggs. During week 2, our hands-on adventure will concentrate on two special animals, and you will take home an unusual souvenir you created.	\$4	3	K-1
American Girl : We will read American Girl stories as well as make foods and crafts from the various time periods. This class is a must for all girls that love American Girl dolls. (2 hour class)	\$10	1, 2	1-6

Class Description	Fee	S	Gr
Animal Detectives: Hands-on participation and an abundance of animal artifacts will help us investigate adaptations that vertebrate animals use to "fit where they live" in Wisconsin. We'll even get a chance to hold a real rattlesnake. Don't worry it isn't alive--but it is real. Students will also take home a souvenir animal print T-shirt they designed themselves.	\$4	3	2-3
Art for your Room: Students will be able to create items for their rooms, possible projects include: a mosaic picture frame, upcycled a lamp or bulletin board, hand painted pillow case, hand stitched coaster, door sign and more.	\$12	2	4-7
Artsy Smartsy: Come create works of art using crayons, paint, yarn and various materials. In this class you will use your imagination to create your projects. You will learn about famous artists and will try and replicate some of their famous pieces.	\$5	1, 2	4K-1
Axis & Allies: The Blitzkrieg rages...can you stop it? Play Axis & Allies, a World War II strategy board game of war and economics!	\$0	1, 2	4-7

Merton/Swallow Summer School Program 2017

Class Description	Fee	S	Gr
Beginning Band for Incoming 5th Grade Students: This is a great way to get off to a great start to learning your new instrument. You will learn all the basics like how to put your instrument together, how to make a sound, how to read music, and basic instrument care. While this class isn't required, it is highly recommended for all beginners unless they are taking private lessons this summer. This class is equivalent to 22 weeks of band lessons - all for free. *Students must provide all required materials that will be used in 5th grade band class	*	3	4
Beginning Jazz Band: Students will have the opportunity to learn how to play in a jazz band for the first time. This is the perfect choice for a student who wants to see how they like playing jazz. Students must have at least one year of band experience in order to join. Students who play any band instrument are invited to join as well as students who play piano, bass guitar, drums, and guitar.	\$5	1	4-7
Birds, Bugs, & Books: We will be exploring Eric Carle's books and we will do a craft and/or activity to go with each book!	\$5	1, 2, 3	K-2

Class Description	Fee	S	Gr
Bonkers for Balls: Any and all athletic or sport related game or activity! To promote great sportsmanship and having fun with all different types of games. Examples include: Basketball, softball, soccer, football, kickball, dodge ball, and lacrosse to name a few. Let's go Bonkers for Balls this summer! Please join us! All abilities welcome!	\$0	1, 2	4-7
Books & Cooks: Back by popular demand! Learn how to read a recipe, measure, mix, and cook up a tasty treat, along with sharing a favorite book for young and adventurous cooks! New recipes, new books, and a few old favorites will return.	\$5	1, 2	K-5
Books, Crafts & Snacks: This course is geared towards emergent readers who enjoy a good book, fun crafts, and making tasty themed snacks! Each week features a popular contemporary children's author, whom students will explore through reading different books, creating fun and exciting crafts, and celebrating the author through a delicious themed snack!	\$10	1, 2	4K-1
Chess Advanced: Strengthen your chess game by developing a better understanding of strategy and tactics. Students will study concepts such as opening, middle game and endgame fundamentals, development, the center, and much more! Prerequisite: knowledge of basic chess rules.	\$0	1, 2	K-7

Merton/Swallow Summer School Program 2017

Class Description	Fee	S	Gr
Chess Beginner: Learn chess! Students will learn how the pieces move, the rules of the game, and some simple strategies. They will also have time to play against other students with guidance from the teacher as they play.	\$0	1, 2	K-7
Computer Gaming: Do you enjoy playing computer games? If so, this class is for you! We will be playing a variety of computer games that will sharpen your computer proficiency, coordination, and problem solving skills. Come and join the fun this summer!	\$0	1, 3	K-7
Design Squad: STEM doesn't always mean robots and computers. Join us for daily hands on building challenges and design competitions.	\$5	2	2-7
Dinosaurs: Get ready to roar! Students will search for dinosaurs by studying the fossils and clues they have left behind, like real Paleontologists! They will participate in a dinosaur dig to collect fossils and bones, and will even be able to create their own dinosaur!	\$10	3	2-7
Fairy Tales: Calling all princes, princesses, knights, and dragons! You are invited to explore the fantastic world of fairy tales! Students will enjoy reading and listening to fairy tales, writing their own stories, role playing, creating art projects, and even putting on their own puppet shows!	\$8	3	K-5

Class Description	Fee	S	Gr
Fun with Flight: Why not fly a kite, build an airplane or launch a model rocket during this interactive inquiry based course for those that want to do something different. This hands-on course will allow students to explore the principles of flight in a fun and engaging way while getting outside to enjoy the summer weather. The sky's the limit...	\$10	1, 2	3-7
Fun with Origami: Discover the ancient art of paper folding! In this origami class, students will learn basic folding techniques used to create an endless variety of origami models. Students will begin with simple models and move on to more complicated levels. Models will include traditional, non-traditional, and unit origami.	\$3	1, 2	2-5
Games Galore: Games Galore is a great way to socialize and meet new friends while keeping active and engaged in a variety of activities. We will play games inside and outside consisting of board games, party games, and group games like kickball, capture the flag, dodgeball, and more. Come join the fun!	\$0	1, 2, 3	K-7

Merton/Swallow Summer School Program 2017

Class Description	Fee	S	Gr
<p>Games with Friends: Students will learn to play group games and classic board games. In addition, students will have a chance to participate in developing their own games. This class will be tailored to meet your child's interests and skill levels. Children will develop an inner confidence along with team building and friendship skills as they laugh and enjoy this fun-filled class!</p>	\$0	1, 2	K-4
<p>Guitar: This class is designed for students with little or no previous playing experience. Students will learn about playing guitar at a beginning level and will learn different styles, skills, and techniques. Some areas of concentration will include: reading musical notation, playing chords and melodies, playing with a pick and also with fingers, rhythms and strumming. The purpose is to give students skills so that when the class is over they will be able to learn and play riffs, melodies, and chords to a variety of songs. Guitars provided at school.</p>	\$10	3	4-7

Class Description	Fee	S	Gr
<p>Hook, Line, & Thinker: Fish On! Why not learn about the great things Wisconsin rivers, lakes and streams have to offer in this hands on course designed to get kids thinking and learning first hand about Wisconsin's water resources. Students will also learn how to fish at the Merton Mill Pond, identify their catch and incorporate activities from the D.N.R Junior Angler program and Project Wet. It is designed to facilitate and promote awareness, appreciation and knowledge of our water resources. (3 hour class)</p>	\$6	3	3-7
<p>Hoop It Up: Are you ready to play some bball? Show off your skills each day as we play basketball. All levels welcome.</p>	\$0	1, 2, 3	4-7
<p>Just 4 Fun: This class is just for fun! Be a kid again! We will go bowling, disc golfing, biking and fishing. This class is for students that finished 4TH and 5th grade. Must bring own bike and fishing pole. (3 hour class) *cost to be determined</p>	\$*	1, 2	4-5
<p>Just 6 Fun: This class is just for fun! Be a kid again! We will go bowling, disc golfing, biking and fishing. This class is for students that finished 6th and 7th grade. Must bring own bike and fishing pole. (3 hour class) *cost to be determined</p>	\$*	1, 2	6-7

Merton/Swallow Summer School Program 2017

Class Description	Fee	S	Gr
Kindergarten - Grade 1 Transition: Let's jump ahead to first grade! This is a transition class that is 2 hours each day. It will allow student fun and engaging opportunities to sharpen their readiness skills in preparation for the challenges of first grade. (2 hour class) Must have a teacher referral that indicates the student has met the requirements necessary for the class. Both the referral and requirements are necessary to enroll.	\$5	1, 2, 3	K
Learn 2 Knit: Students will learn basic knitting/crochet techniques while completing a project they will be proud of. Knitters will begin by using a loom knitter then moving to needles when they are ready.	\$10	2	4-7
Legos & Engineering: Spend time building and engineering different legos sets with your friends. We will rotate different lego sets around and build numerous sets of legos. Come and learn about architecture, design, and construction. At the end of the session each student will leave the class with their own set of legos.	\$15	2	2-7
Makey Maker: Create and code a machine of your design with the help of a Makey Makey.	\$5	2	2-7

Class Description	Fee	S	Gr
Math Olympics: Do you love math games? This class is for you. You will be practicing in classic everyday math games and introduced to new challenging games. The games will include basic fact skills to exciting story problems.	\$0	1, 2	2-4
Minute 2 Win It: If you love watching the T.V. show, you will love completing similar challenges in this class. There will be several individual and team games in which you will have only one minute to complete. There will be added twists and turns throughout the class. Sign up if you think you can win it in a minute!	\$2	2	2-5
Music Listening Club: Do you love music, and like learning about other people's favorite types of music too? There will be a wide variety of music listened to in this class but the students are the ones that choose all the songs. Expand your musical tastes by listening to new music and sharing some of your favorite songs as well.	\$0	1, 3	4-7
Mustang Fit Boot Camp: Exercising doesn't have to be a chore! Join in the fun this summer and get fit, have fun, and feel great. With a wide variety of activities and workouts to help kids stay active, lose weight, and make healthy choices, Mustang Fit Boot Camp will bring the energy. This class will primarily take place outside, weather permitting. Please send your child with a water bottle daily. All fitness levels are welcome!	\$0	1, 2	4-7

Merton/Swallow Summer School Program 2017

Class Description	Fee	S	Gr
Ocean Fun: Dive into a world full of water, waves, and sea creatures! Students will learn fun facts about the ocean and create works of ocean art by using recycled materials! They will also get to participate in fun hands on activities and science experiments!	\$7	1, 2	K-5
Patterns, Puzzles, & GeoShapes: Patterns are everywhere in our daily lives! They give us structure & help promote logical thinking. We will examine some common patterns, use pattern logic to solve puzzles, & explore geometric concepts through the use of pattern pieces, tangrams, pentominoes, tessellations, GeoSudoku, Reflect-It Mirrors, K-nex, & a variety of other hands on tools.	\$4	3	1-3
Play 60: Let's turn back the clock to time when there were no video games, computers, or other modern technologies and get back to the simplicity of childhood and the wonders of summer. We are going to enjoy the summer weather, get fresh air, play games and stay active! Summer is a time to have fun and let kids be kids...that's what Play 60 is all about.	\$0	1, 2	K-2

Class Description	Fee	S	Gr
Pre-Kindergarten Readiness: For incoming kindergarteners (5K) who need more practice with skills. Students in Pre-K Readiness will experience chances to play and learn in a setting that will increase their chances at learning those new skills that are so important to early success in school. (3 hour class) Must have a teacher referral that indicates the student has met the requirements necessary for the class. Both the referral and requirements are necessary to enroll.	\$5	1, 2, 3	4K
Princess Camp: This class will focus on royalty! Princess stories, princess games, pampering, and everything a proper princess should know!	\$5	1	4K-2
Pump It Up: Learn proper techniques while using the equipment in the Intermediate School Workout room.	\$0	1	4-7
Rain Garden Fun: Help care for the Merton Rain Garden - weeding, mulching, watering, composting. Native flower identification. Activities include garden art, creating a bird house, making a butterfly feeder, and creating a flower journal.	\$8	1, 2, 3	K-2
Rock Band: This is for those students who are rockers at heart. We will explore the piano, bass guitar, electric guitar, and drum set and become music superstars! No previous music experience is required. Come and join this hands on music experience.	\$5	1	4-7

Merton/Swallow Summer School Program 2017

Class Description	Fee	S	Gr
Safety Town: Educate & engage children with information on health, safety, & personal choices. It will include professionals from the community, presentations, hands-on activities, literacy, and crafts. (3 hour class)	\$15	1, 2	4K
Spanish Prep: Preparation for Middle School Spanish (Recommended for 5th and 6th graders.) Get ready for Middle School Spanish and/or continue developing your Spanish skill set.	\$0	3	5-6
Spanish: Fun, Food and Fiesta! Begin building a basic knowledge of Spanish through a study of introductory communication skills, the alphabet, numbers, and useful phrases and vocabulary, all while exploring the culture of Mexico! Course includes songs, games, food, and meaningful fun. Come join us at our summer fiesta.	\$0	3	K-4
Sports of All Sorts Do you love playing any and every sport? If so, this is the course for you! In Sports of All Sorts students will participate in a variety of fun outdoor sports including: ultimate frisbee, baseball/softball, soccer, football, kickball, frisbee golf, and team handball. If you are ready for constant fun and activity sign up for Sports of All Sorts today!	\$0	1, 2, 3	1-7
Sports Sampler Come experience the world of sports. Every day we will explore and learn about the fundamentals of a new sport. See how it feels to be an athlete in soccer, tumbling, basketball, T-ball and more.	\$0	1, 2, 3	K-3

Class Description	Fee	S	Gr
Storybook Gardening: Storybook Gardening is a creative "hands on" class for young children. We will be enthusiastically reading children's literature based upon seven themes and preparing several take home container gardening projects related to well known children's books. Your child will have the opportunity to enjoy seeing their books they are familiar with come to life. Students will also love the opportunity to explore, learn, work and have fun together.	\$10	1, 2	K-3
Surprise Party: Come celebrate summer with a different party every day! Each day will have a new theme and will include a variety of activities including arts & crafts, games, and story time. (Parties repeated each session)	\$5	1, 2	K-3
Volleyball Skills & Drills: Join us for some volleyball fun this summer! We will learn, practice, & play this great sport. Open to girls & boys and led by IMPACT certified teacher & coach.	\$0	1, 2	3-7
Wet, Wild, Water Exploration: Students will be investigating water. We will be talking about the difference between boiling and frozen water. The students will be making science experiments and will be getting wet and wild outdoors.	\$0	2	4K-1
Where's the Loot: This class will focus on fun filled days with scavenger hunts, treasure maps, and fun summer activities!	\$5	1	K-7

Merton/Swallow Summer School Program 2017

Class Description	Fee	S	Gr
<p>Wiffle Ball Mania: Very similar to the game of baseball, this is one of the most underappreciated games of all time. WIFFLE BALL is coming to Merton! Learn how to throw curveballs, sliders, and fastballs and make your opponent "Whiff" at your newly crafted pitches. Learn how to hit like the all time greats in this fun game.</p>	\$5	2	4-7
<p>Yoga: Yoga for kids is based on the idea that children can enjoy some of the same benefits of yoga that adults do, such as improved body awareness, coordination, and stress relief. More than just learning the poses, the yoga experience will encourage kids to explore the unfamiliar with open minds and become more comfortable in their bodies. For kids who are not good at (or don't enjoy) conventional sports, yoga may provide a much-needed physical outlet in a noncompetitive environment.</p>	\$0	1, 2, 3	K-4

Class Description	Fee	S	Gr
<p>A Young Person's Guide to Theater: "To be or not to be - that is the question!" Join us as we delve into the exhilarating and action filled world of theater and drama. Students will learn about and experience the many facets that make up the fine art of theater.</p>	\$0	3	4-7
