

CHECKMATES CHESS ACADEMY

“Every Move Counts”

www.CheckMatesUSA.com

CheckMates Chess Academy focuses on teaching students of **ALL SKILL LEVELS (K-8)**. Our unique curriculum makes learning chess fun and classes entertaining. For kids, chess is a game, an educational tool, and a great way to bond with family!

We invite your child(ren) to enjoy this timeless game with us. We will be exploring chess tactics such as thinking ahead, correct positioning, and controlling the board while playing many chess related games like “Bughouse” and “Crazy Queen”! Students will learn new strategies as well as ways to apply them to their everyday lives. The last day of class we will have a tournament complete with PRIZES for all those who participate!
