

# Parent Tech Talk

3/20 6-8pm

Merton Intermediate School

Join us for a night of learning from two diverse speakers. Topics of discussion will include :

- Social media awareness and digital safety
- Legal ramifications for technology misuse
- How social media impacts relationships, mental health, and emotional well being

## **Staci Steen**

Officer Steen is a retired Milwaukee Police Officer (25+ years) and current Certified Law Enforcement Instructor with the State and MATC. She has given presentations about social media and digital responsibility to parent groups and school administrators.

## **Karalynn Royster, PsyD, LPC**

Dr. Karalynn Royster received her Master of Arts and Doctor of Psychology Degree from the University of Denver. Dr. Royster is a Licensed Professional Counselor in the state of Wisconsin and is currently working towards licensure as a Clinical Psychologist. She is a postdoctoral clinician at Cornerstone Counseling in Waukesha.

This is a free walk-in event. Please park in the front lot of Merton Intermediate School and enter through the main doors. Questions can be directed to Jackie Kohnert, School Counselor.
