

Grandparents are very special in a child's life – so here's a day just for you! Grandparents/Special Persons Day recognizes the importance of our heritage, our community, and relationships across generations. Visit our school, find out what students are learning, and celebrate with us.

**Note:** Students who do not have a grandparent available are welcome to invite anyone they have a close relationship with: an aunt, uncle, godparent, family friend, or grown sibling.
