

SCHOOL COMMUNITY RELATIONS

The Board of Education of the Merton Community School District assumes the responsibility to maintain positive school-community relations. The Board meets this responsibility through cooperation and communication with the citizenry of the District.

The School Board is committed to:

- informing staff and citizens of policies, procedures, plans and issues in the schools.
- seeking input and advice of staff and residents on school matters through appropriate channels.
- promoting school-community partnerships
- establishing policies to encourage resident use of the facilities
- conducting open meetings as required by law
- cooperating with news media to fulfill responsibilities
