What is Friends of the Library?

We are a separate organization from our Library, and our funds are generated from private donations, memberships, and purchases. We are a diverse group of citizens, who help to inform the general public of Library services, conduct outreach initiatives, and serve as an ongoing voice for the Library. As a charity committed to promoting literacy here in Lake Country, we funnel our 'profits' directly back into Library.

The Friends support:

- The Annual May Banquet
- The Buy the Book Room
- Staff gifts
- Library Reading Programs including the Summer Library Program
- The Leitgabel Herb Garden
- The garden bordering the library's front parking area.
- Special speakers/lecturers
- Additional supplies/items that go beyond the regular budget

Libraries are not funded by tax-payer dollars alone

We invite you to join our cause. Become a **member** of the Friends!

You can serve on the board, periodically volunteer, or support the Friends through membership alone. Members receive periodic mailings about special and volunteer opportunities. BUT WE NEED YOU!

Join the Community to Support Your Library!

The Friends of the Library (FOL) provide financial support for our local library. Through your annual membership contribution, the Friends provide children and adult programs, materials, equipment, and community space for all residents to enjoy.
