

Website Rubric Based on RADCAB Information Evaluation

Name: _____

Date: _____

Project: _____

Period: _____

URL: _____

RADCAB Concepts	Weak (1)	Medium (2)	Strong (3)	Points
Relevancy	Not very relevant	Info is somewhat relevant to my purpose. However, additional info and links were unrelated to my topic.	Info is very relevant; additional info and links provided on the site were related to my topic.	
Appropriateness	Not age appropriate; too hard or too easy; offensive material	Info degree of difficulty somewhat match my age group; TMI or confusing in some sections.	Info degree challenges me, but does not confuse me.	
Detail	Vague; no additional links are provided	Fair amount, but leaves out big picture; site structure is hard to navigate for more info	Depth of info is just right for my purpose; Site is easy to navigate.	
Currency	No date provided	Date is posted; hard to find	Date is posted; easy to find	
Authority	No author posted	Author is posted, but hard to find or know if s/he is an expert in area	Author is posted, easy to find, easy to know that s/he is an expert in area	
Bias	Site is set up to sell something, not inform	Site first goal seems to be to sell something, but is persuasive or entertaining	Site is set up to present factual information, not to persuade or entertain	
			Total:	/18 pts.
